Work Experience

ALGEBRA 1 TEACHER, HOLY TRINITY HIGH SCHOOL, CHICAGO IL – OCTOBER 2021-PRESENT

- Teach 5 sections of Algebra 1 to High School Freshman.
- Communicate regularly with other teachers to strategically plan lessons and topics that pertain to future courses.
- Work one on one with students consistently to find styles of teaching and learning that best fit the student.

ASSOCIATE PASTOR, FIRST CHURCH IN WINDSOR; WINDSOR, CT — SEPTEMBER 2020–SEPTEMBER 2021

- Generalist Associate Minister, with concentrations on Outreach, Christian Education, and Youth.
- Designed and implemented programs for the community during the pandemic, while following health and safety regulations, with a particular focus on individual relationship building and community care.
- Provided Pastoral Care to various church members, particularly parents and youth.
- Participated in weekly worship, preaching once a month. Led weekly worship while Senior Pastor was on sabbatical (July and August 2021) preaching the majority of Sundays and leading the church during her absence.

WEB DEVELOPER/ANALYST, TECHNOLOGY SERVICES GROUP; CHICAGO, IL — 2015–2017

- Wrote full stack code and designs for various clients and projects related to content management.
- Areas of work included extensive front end and client-side development, back-end database setup, and structuring database migrations.
- Wrote code in **Java**, **JavaScript**, **HTML**, **CSS**, **SQL**, among others.
- Wrote automated tests for each change in functionality implemented.
- Worked on several collaborative projects that both enhanced current website and created new aspects to the suite of company products.
- Wrote designs for younger developers and oversaw projects in an analyst role.

SOFTWARE DEVELOPER INTERN, PEAPOD LLC; CHICAGO, IL — SUMMER 2014

- Worked closely with development team that managed a number of websites for the parent company.
- Created and implemented testing system for QA Team using Selenium WebDriver.
- Was responsible for regular automated testing of websites, as well as locating bugs and functionality lapses.

LEAD INSTRUCTOR, ID TECH CAMP; EVANSTON, IL — SUMMER 2013

- Taught week-long Java programming courses to groups of teenagers aged 9 to 15 years old.

- Appointed as Lead Instructor of staff of 15 instructors, whose duties included taking over Director's duties when needed, and doing weekly backups of data.
-

Additional Service

- DePauw University Rugby Club President – Was a participant for three years in the rugby club, playing fellow colleges in the area every other weekend. Was the president and captain of the team Senior year.
 - Youth Group Adult Leader – Led a high school youth group service trip of 35 high school children and 6 adult volunteers from Chicago to Washington D.C. for former high school youth group. Coordinated travel, volunteer work sites and led nightly “vesper” gatherings. Continue to help as an occasional adult leader on similar trips
 - Convener of the Founders for Andover Newton Seminary – Student leader in Andover Newton Seminary who helped provide a voice for the students to the faculty, provide care and support to fellow students, as well as providing as needed support for the faculty, such as speaking to the trustees, sitting on student panels, and participating in conversations regarding the future of Andover Newton.
